Members at Large

April 24, 2011

Dear AGO Member:

It is time to renew your membership in the Hawaii Chapter of the American Guild of Organists. Attached is a membership form in fillable PDF format if you wish to do it on your computer. Please complete it, print it and mail it back to me with your dues check so we have the most accurate information.

There is no increase in dues for the 2011-2012 year. Church organists are reminded that they really should be members at the “regular” level. The “chapter friend” level is intended for non-musicians who want to support the work of our chapter and for whom we are thankful. AGO National had hoped to be able to have all members send their dues directly to National Headquarters, but their new computer system is not yet ready to be implemented. National requested an indication of acceptance to abide by the AGO Code of Ethics, so a check box is included. The Code of Ethics may be found at: <http://www.agohq.org/about/pdf/codeofethics.pdf>.

Reminders of coming events will be sent to members shortly. Please try to send in your membership renewal early. I will be gone to the Mainland in July and part of August so I would like to do the processing of the membership renewals in June. Mahalo nui loa!

Warmest aloha,

Samuel Lam  
Treasurer
